## Dining with a Difference

Do you love dinner parties? Who doesn't! Good food, perhaps a few glasses of wine... And how about raising funds to Beat Macular Disease at the same time? You can do just that by hosting a 'Dining with a difference' dinner party!

### What will your **difference** be?

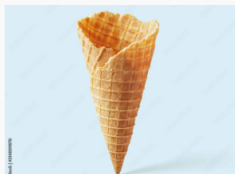

#### Food inspiration

Eat the rainbow! Why not include lots of fruit and vegetables that are good for eye health?

#### Get competitive

Hold dinner parties in each other's houses and rate each meal, or ask your guests to pay how much they think each course is worth.

#### Donation instead of dessert

Instead of dessert, ask your guests to make a donation to Beat Macular Disease.

If you'd like us to help you plan your dinner, or to send us your lovely photos and let us know what your **difference** was, please email [community@macularsociety.org](mailto:community@macularsociety.org) or phone 01264 560 222.

#### Other inspiring fundraising ideas

Want to fundraise but not sure what to do? We've got loads of fundraising ideas for you. Be inspired to raise money to Beat Macular Disease.
